

# Texas Society for Public Health Education

Conference – October 18-19 2021  
**Exhibitor Invitation**

---

Dear Sir/Madam,

The Texas Society for Public Health Education's 2021 Conference will be held on October 18<sup>th</sup> & 19<sup>th</sup> 2021. Due to the pandemic, our conference will be held virtually. The theme of this year's conference is "Shaping the Future: Empowering Communities through Public Health Education" The purpose of this conference is to promote health education strategies used to eliminate health disparities and to promote health across all populations and policies. We hope to provide our participants with an opportunity to broaden their knowledge and skills in health education through interactive workshops, panels and poster presentations.

This year, between 100-200 health educators and other health professionals will attend the conference. We are inviting your group to participate and become involved in this important event by becoming a sponsor or an exhibitor. The cost of a virtual booth is \$50 and will include access to the virtual expo for both days of the conference (for virtual conference purposes you will be provided your own breakout room). You will also be able to purchase CHES/MCHES continuing education credit hours for an additional fee. Visit <https://txsophe.org/membership/> to update your TSOPHE membership.

To help us plan, please complete the attached application. You may also visit [www.txsophe.org](http://www.txsophe.org) for additional information regarding our organization and events.

For any additional exhibit needs, please email us at [TexasSOPHE@gmail.com](mailto:TexasSOPHE@gmail.com).

Sincerely,

Haley Delgado, MPH  
President

## Exhibitor/Sponsor Application
